| 26  | 1. My name is John Blanchard. I am the Vice President of Sales at First Family                  |                           |

contained in this Declaration or obtained the information through a review of the corporate books and records of First Family.

- 2. First Family was organized under the laws of the State of Florida on September 3, 2020, and since that date has remained a Florida registered limited liability company domiciled in the State of Florida.
- 3. At all times, First Family's principal place of business has been located in Fort Myers, Florida.
- 4. At no time has First Family ever been registered in the state of Arizona as a domestic or foreign corporation.
- 5. First Family has not consented to the jurisdiction of the Arizona state or federal courts, and has not otherwise consented or agreed to be sued in any courts located in the State of Arizona including this Court
- 6. First Family keeps records of all telephone solicitations that it has placed or initiated. I have reviewed those records, and can confirm that First Family has no record of placing or initiating a telephone call to the Plaintiff, including telephone numbers 602-295-1875 and 602-295-7930. If First Family had done so, it would be reflected in the records. Accordingly, First Family never placed or initiated a telephone call to Plaintiff or his telephone numbers.
- 7. First Family has never authorized, directed, controlled, or caused any third party to place or initiate a telephone call to the Plaintiff.
- 8. Moreover, First Family has never authorized, directed, controlled, or caused any third party to place or initiate a telephone call to the Plaintiff that would violate the Telephone Consumer Protection Act, 47 U.S.C. § 227 ("TCPA"), or the Florida Telephone Solicitation Act, Fla. Stat. § 501.059 ("FTSA"). To the contrary, First Family requires that all such persons who seek to contract with First Family, including independent contractor insurance advisors such as Ryan Lopez, represent and agree that their insurance marketing and advertising activities will be in compliance with all applicable federal and state laws, which includes the TCPA and FTSA.

I declare under penalty of perjury that the foregoing is true and correct.
